BURTON MEMORIAL HALL

Welcome to our Spring Extravaganza!

Our entertainment starts with our variety show and once again we welcome some new faces to our stage and some 'old' faces doing new new things! As you will see, "Burton's got talent" and I am sure you will agree our acts are fit for the Queen although maybe not for Simon Cowell!

Once again we have enlisted the services of our local playwright John Peel (Kirkby Lonsdale) to provide us with a splendid one-act play, all about 'gorlf. Now, even if you are not a connoisseur of the game, we are sure you will find it amusing and even more hilarious if I tell you the following snippets about the game:-

- 1) In Great Britain and Ireland, the Governing Body of the Rules of Golf is the 'Royal and Ancient', known worldwide as the 'R and A'
- 2) The rule book is 203 pages long, has 33 rules with many subsections, has three Appendices and a separate section on 'Etiquette and Behaviour on the Course'
- 3) Players always think they can hit the ball further than they do
- 4) Men's tees are almost always set further back than Ladies
- 5) Technical advances in equipment lead players to believe that particular clubs and balls can improve their game
- 6) Visiting parties are not always welcomed by members due to the disruption they cause to normal proceedings

It just leaves me to wish you all an enjoyable evening and thank you once again for your support - Felicity Holloway (BADS Chair)

The next production of BADS (January 2011) is going to be a pantomime which we haven't done for many years so we are very excited at the prospect of doing these once more. We will be needing all the assistance we can get both on-stage and off-stage so please watch out for announcements in Burton News for when we begin rehearsals for this.
